

Two Boys Inn Hosted Trip (February 8 - 15th, 2016)

Next February, Reel Action will once again be heading back to Two Boys Inn and hosting a trip the week of February 8-15th, 2016!

This is an excellent time of year to escape the cold winter doldrums and truly, there is no better place in all of the Bahamas, or quite possibly the world that will give you a better opportunity of catching bonefish over 10 pounds.

Experts in fishing for the 'big boys,' Two Boys Inn focuses on fishing the North Bight, Middle Bight and West Side of Andros Island. Along with the opportunity of bigger fish, there are also plenty of schools with 4-6 pound fish and many over 7 pounds.

Captain Frankie Neymour (owner/operator Two Boys Inn) and Captain Barry Neymour (guide) are legendary Andros Island bone fishing guides. With over 50 years of experience between them, it's safe to say that no one knows these waters better. Patient and enthusiastic, Frankie and Barry make for great, fish-filled days on the water.

The cost of the trip for the week is \$2250 per person.

Lodge Facility and Accommodations: Two Boys Inn can accommodate up to eight anglers in four air-conditioned rooms, each featuring two queen beds and a private bath. Meals are served "family style" in the dining room and bar where guests, guides and locals gather over ice cold beer and hot conch fritters to share some easy island camaraderie and trade tales of the day's adventures.

Each morning Frankie's wife Melinda prepares a full, made-to-order breakfast while you assemble your own lunch from a generous selection of cold cuts, fresh fruits, snacks, and beverages. At the day's end you'll be treated to happy hour appetizers, followed by Melinda and Frankie's authentic Bahamian home cooking. Specialties include Melinda's homemade soups and chowders, lobster, cracked Conch, grilled crawfish, pan-seared wahoo, steamed grouper or a tangy chicken BBQ, all topped off with a delectable dessert.

By keeping things on a simpler and more intimate scale, Two Boys Inn is able to offer an exceptional value while ensuring a world-class bonefishing experience in the "Big Bone Capital of the Bahamas."

What's Included: The price listed includes lodging, guided fishing and all meals.

What's NOT Included: The price listed does NOT include airfare to and from Andros Town, round trip taxi service to the lodge, (about \$50 each way plus tip for up to 6 people), liquor and beverages, tackle or gratuities. Optional trips to the west side are \$50 extra per person per day.

How to Get There: From your home location you will fly into Nassau, New Providence Island, Bahamas. You will want to catch the earliest possible flight into Nassau if you intend to make it to Andros Island on the same day.

From Nassau, there are twice daily flights (only 15 minutes!) into Andros Town with LeAir. The flights leave at 7:00am and 4:00pm and return at 7:30am and 4:30pm respectively. Reservations with LeAir can be made at 1-242-377-2356. Their Website is www.leaircharters.com. The round trip cost is approximately \$103. From the Andros Town Airport, Two Boys Inn is a short 25-minute taxi ride.

Two Boys Inn is one of our all time favorite trips. Between the quality of fishing and the delightful Neymour hospitality, we have never been disappointed. Many wonderful memories are created, new friends are made and certainly there is no shortage of fish tales to go home. Some days there might have been many fish, some days with several really big fish and many days with a variety of species. Each day is different and exciting and we'd love to share this amazing location/fishery with you!
